LOOKING FOR VOLUNTEERS

This year we are holding a picnic in the Spokane and the Portland area's hoping to get more people involved with the fun and relaxing part of being a Boilermaker.

The Union Hall will provide all of the meat for BBQing, soda and water.

Lots of games, raffles and prizes for young and old.

Please call the Union Hall to R.S.V.P. (509)489-1891. Let us know which picnic you would like to attend or both. We will need a head count for food and what side dish you will be bringing.

NO PETS PLEASE
